

## **Dear Applicant!**

Thank you for visiting **Wizz Air** career page, we appreciate your interest in working for our company!

### **about Wizz Air**

Wizz Air has become the leading low fare airline in Central and Eastern Europe since its start five years ago.

We operate a young, single type Airbus A320 fleet, with average age of less than 3 years, one of the youngest in the world.

Wizz Air continues to win the hearts and minds of millions of passengers travelling in Europe. Fast pace of growth has been achieved by maintaining high quality service standards as recognized by our customers and by a number of awards that we have received.

Wizz Air has signed a Memorandum of Understanding to buy 50 more A320s taking its total orders with Airbus up to 132 aircraft in the coming years.

Wizz Air currently has bases in Poland, Hungary, Bulgaria, Romania, Ukraine and the Czech Republic.

Our continued growth brings constant job opportunities throughout our network (please check current list of vacancies).

### **what we offer**

Wizz Air is pleased to provide a rewarding work environment. The details can be found below.

#### **Type-rating**

Wizz Air currently offers different options to obtain the A320 type-rating. We cooperate with different external TRTO who organize training according to Wizz Air's standards. This is a self sponsored training option which result in obtaining Wizz Air approved A320 pilot qualifications.

Wizz Air, in agreement with the Airbus Training Centre in Toulouse, France, may have Wizz Air organized type-rating training next year; this option will require to co-finance the training and to sign a 3 year training bond agreement.

A 320 type-rated pilots will need to deposit 5,000 Euro for their base/line training (deducted from salary in instalments) for 2 years.

Details of financing type-rating and line training will be presented during the interview.

## **employment contract and compensation**

We offer employment contract for an indefinite period of time (probationary period included) with a 4 month notice period.

Wizz Air's ambition is to offer its pilots competitive reward package by applying local contracts.

Pilot remuneration includes base salary, sector pay (depending on a sector length) and eligibility to daily allowances (subject to Wizz Air policy)

**Wizz Air Captain Seniority Incentive Program**, this program progressively rewards for time spent in a captain position with Wizz Air.

We offer **free accommodation** for 10 days to pilots who start working at a location other than their permanent place of living.

The company provides **uniforms free of charge!**

## **work plan (roster)**

Wizz Air pilots can expect to fly close to 900 hours a year. Roster is published monthly. Wizz Air offers various roster patterns, which try to fit different lifestyles, and allow pilots living elsewhere than the location of their bases to commute home.

## **other benefits**

Our Staff Travel Policy gives every employee and their relatives the opportunity to use unlimited number of tickets, at preferential rates, for Wizz Air flights.

Wizz Air finances **loss of license and accident insurance** for its crewmembers.

We provide **crew meal on a day of duty!**
